# Welcome to UNY

"Universitas Negeri Yogyakarta (UNY) is currently classified into Cluster I ranking by the Ministry of Research, Technology and Higher Education in 2018. Cluster I consists of fourteen Higher Education Institutions and UNY occupies the eleventh position out of 4.529 Higher Education Institutions throughout Indonesia. One of the ranking criteria is the number of the students' achievements in the national and international competitions related to the fields of reasoning, sports, arts, talents, and technologies. Therefore, the students' great potentials are taken into considerations in the UNY selection process. We highly welcome your contributions and creativities to realize excellent and competent generations in the future." (Rector of UNY)
